## 2018 Reserve Shiraz

### THE WINE

*“Mostly a blend based on vines from the Eden Valley. Almost always 100% French oak. Again-early picking to preserve natural acidity and varietal character.*

*A great wine to cellar-but who’s got the patience when this wine’s primary fruit character scream out to be consumed now?” - Tim Smith*

### VINTAGE CONDITIONS

Barossa 2018 vintage wrapped up at the end of April 2018, with grape growers and winemakers happy with a high-quality vintage and good yields.

Flavours and colours in reds are wonderful, and natural acids in the Eden Valley whites surprisingly high, with early standout varieties this year including Riesling, Chardonnay, Shiraz, Grenache and Cabernet.
