## Tim Smith Wines

# 2022 Bugalugs by Tim Smith White

### THE WINE

*“A textural blend of Clairette, Viognier, Grenache Blanc and Roussanne. Don’t think too much about the individual varieties though, think Friday night and a crisp white. The perfect partner to your end-of week knock offs.” - Tim Smith*

### VINTAGE CONDITIONS

Vintage 2022 kicked off with average to above average rainfall during winter through to November giving way to a very dry December with a large rain event in February freshening up the vines leading into harvest.

Yields from the vineyard was low but the fruit showed excellent intensity with acid levels holding in the grapes for a prolonged period providing near perfect ripening conditions. Winemakers are talking about vintage ‘22 wines as elegant and structured, with depth and length of flavour.
