## Bugalugs by Tim Smith

### 2022 Bugalugs White

*"A textural blend of Clairette, Viognier, Grenache Blanc and Roussanne. Don't think too much about the individual varieties though, think Friday night and a crisp white. The perfect partner to your end-of week knock offs."* - Tim Smith

**93 points** - Steve Lesczynski (QWine)

**92 points** - Kasia Sobiesiak (The Winefront)

### 2022 Bugalugs Grenache

*"Unoaked. Vineyard planted in early 70's. Slight chill. Afternoons, leading into sunsets..."* - Tim Smith

**92 points** - Shanteh wale (Winepilot)

**92 points** - Gary Walsh (The Winefront)

### 2021 Bugalugs Shiraz

*"Mostly Barossa Valley floor vineyards using old oak. When you're off to a party, you'll be considered a legend for bringing something that flies under the radar but over delivers. Equally, when you need a big glass of flavour, and it's the week before pay day."* -
